

MagSpring Clamp

The spring-loaded, one-handed clamp with quick-set, adjustable magnetic pad!

Quick & Easy to Use!

Squeeze to open, **set** in position, & **turn** to tighten!

Product Features

- » Spring Loaded Arm allows users to free up one hand to position the workpiece.
- » Once positioned, the Adjustable Magnetic Pad holds the clamp to the workpiece for tightening.
- » Made of heat treated steel and nickel / chrome plated for strength and durability.

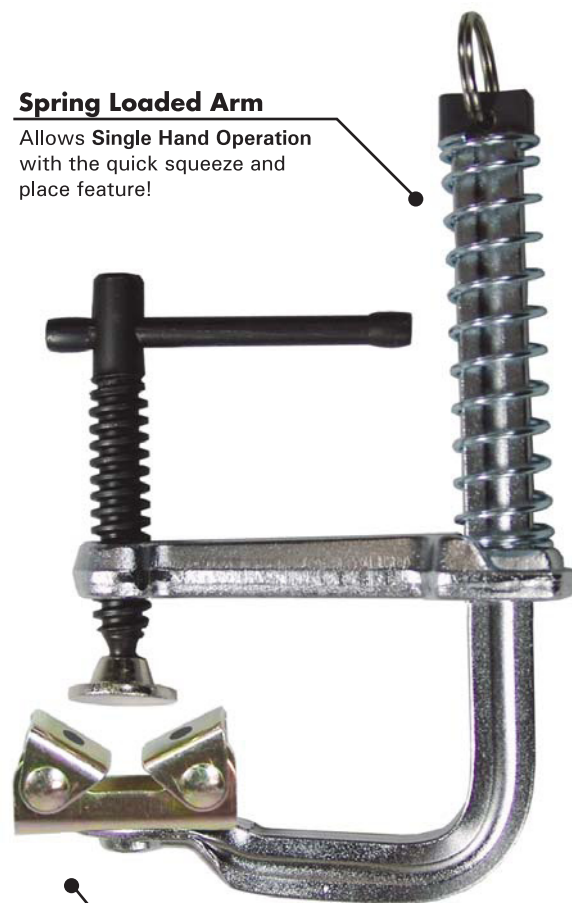

Applications

Stays in place while you tighten.
Ideal for One-Handed clamping.

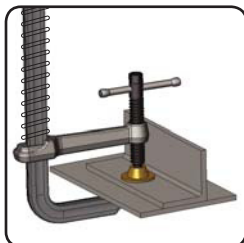

The Adjustable Magnetic Pad can
securely hold on to angle iron.

Model UDV45 shown
